Application Form for Authorised Absence from School

This form should be completed by a parent/guardian and returned to the school in advance of the period of absence for which permission is being sought.

Under educational law, you are required to ensure that your child attends school regularly. Parents may request absence for pupils from school due to a family holiday but it is for the school to agree to this extraordinary period of leave during term time. The school may authorise absence for this purpose if it is considered strictly necessary.

Before completing this Application Form, please consider very seriously how this absence will affect your child's education – for example, the effect on her progress and continuity of education and the overall attendance pattern of the pupil.
